4K UHD Resolution	Quick Setup	Wide Support	Voice Control
Bring users into a perfect colorful world with 4K UHD (3840x2160) and provides the finest natural and sharp original quality.	Unlike other screen mirroring receivers of their class, EZCast Classic series can use QR code scanner to instantly connect to the internet, and also support quick setup with a scan of the QR code.	EZCast Classic series support iOS, Android, Windows and Mac devices, and the popular wireless screen casting protocols such as EZAir (iOS mirror compatible), Miracast and DLNA.	Use smart speakers and AI assistants on your smartphone to command EZCast to search and play your favorite videos.
