

EX765DLP® Projector

Versatile Installation...

- PureShift (V&H Shift) & 1.6x Zoom
- Bright projection 4000 ANSI Lumens
- Digital and Analogue connectivity includes: HDMI, DVI-D, dual VGA
- Low ownership costs up to 4000hrs lamp life
- Retworking RJ45 control and monitoring
- Environmentally friendly design <1W standby mode
- DLP® filter-free design Virtually no maintenance

Powerful installation projector

The Optoma EX765 is perfect for large room installations. Its high performance combined with a brightness of 4000 ANSI Lumens allow it to achieve crystal clear images from a great distance.

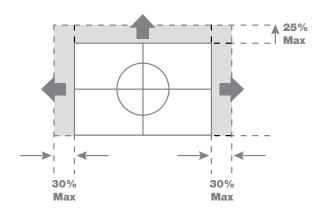

The introduction of PureShift technology gives your projector outstanding flexibility and with a 1.6x zoom, makes the EX765 an ideal replacement for existing ceiling mounted systems.

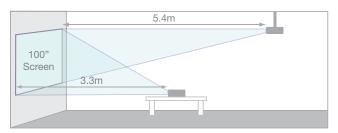

The environmentally friendly EX765 has energy saving features including <1W standby mode and auto power off saving you both time and money. Long lamp-life of 4000hrs combined with our unique Optoma Colour and Imager guarantees ensure hassle-free, long-lasting projection.

1.6X ZOOM AND PURESHIFT - EASY INSTALLATION

The EX765 can project a 100" diagonal image from any distance between 3.3m and 5.4m. The PureShift system provides a lens shift function that can be used to adjust the position of the projected image either horizontally or vertically within the range detailed in the diagrams below.

When replacing existing projectors, the 1.6x zoom and PureShift system will greatly increase your installation flexibility.

Above diagrams for guide purposes only

PROJECTOR CONTROL AND MANAGEMENT

Projectors can be controlled and monitored over a network (LAN) using a web browser.

- Manage up to 99 projectors at the same time (via master PC)
- Control and alter the projector settings using a simple web browser page
- Instant onscreen display of messages to projectors
- Set up email alerts for warning messages
- Ideal for large installations both in the educational and business environments

CONTROL

The extensive RS232 command set makes it simple and easy to control the EX765 with any control system.

AMX Compatibility – Dynamic Discovery Protocol is incorporated into the EX765. This feature allows for easy installation with AMX control systems.

EXTENSIVE CONNECTIVITY

This native XGA projector accepts a wide variety of computer and video input signals. Connectivity includes: HDMI, dual VGA–SCART and Component, S-Video, Composite, RS232 and RJ45.

Three audio inputs for individual PC and video connections enable the EX765 to function as an audio switcher and volume controller, thereby eliminating complicated and costly additional audio hardware and cabling.

CLEAR, FOCUSED IMAGES

Technology from Texas Instruments produces a stunning 2500:1 contrast ratio for pin sharp graphics and crystal clear text. Crisper whites, ultra-rich blacks make images come alive and text easier to read - ideal for business and education presentations.

500:1 contrast ratio

2500:1 contrast ratio

AMAZING COLOURS

The EX765 incorporates BrilliantColor™ technology to produce stunningly bright images with perfectly balanced life-like colours.

Preset display modes allow you to achieve a perfect image on a variety of surfaces including screens and interactive whiteboards.

COLOUR AND IMAGE PERFORMANCE

Optoma guarantees colour quality will remain as new for 5 years*

Once you've purchased the EX765, Optoma guarantees that the colours will not fade and the image performance will not degrade for a minimum of 5 years.

MAINTENANCE FREE = LOWER TOTAL COST OF OWNERSHIP (TCO)

DLP® technology ensures lower cost of ownership, longer life and improved reliability compared to other technologies.

The filter-free projector design means no more regular filter cleaning or replacements, saving you time and money.

ENVIRONMENTALLY FRIENDLY

The EX765 incorporates energy saving features to reduce power consumption and extend the lamp life.

The timer control functions can automatically switch the projector off to standby mode <1W, conserving power and extending the lamp life to an astonishing 4000hrs**.

FEATURES

- Preset display modes
- Easy to use remote with laser pointer, mouse control and direct source selection
- Direct power on and Auto power off
- Customised start-up logo
