

EPSON

EB-824

BUSINESS PROJECTORS

High brightness and wide connectivity

The EB-824 will be able to project in almost any meeting room conditions thanks to its high colour light output of 3000 lumens. It guarantees that you will have a great picture quality and colours at any time. With its advanced USB features such as a direct image viewer from a USB drive to direct USB connection to project your PC, thus eliminating set-up needs.

Its exceptional value is complemented by an outstanding 6,000 hours lamp life time, offering you extra peace of mind.

The EB-824 is definitely your preferred partner for your business presentations.

We are committed to providing the highest performance in our projectors by integrating innovative technologies.
