

EH-TW6800

DATASHEET

Capture everyone's attention with this Full HD 2D & 3D projector with 3LCD technology, to create the ultimate cinema experience at home

Enjoy a true cinematic experience at home with this easy-to-use projector that's packed full with impressive features. You can be immersed in bright, colourful and Full HD images presented in incredible detail with its notable 120,000:1 contrast ratio, in 2D and 3D modes. Setting up is also easy with a wide lens-shift range, optical zoom and vertical and horizontal keystone correction.

Extraordinary images

See exceptional images with a combination of advanced technologies designed to heighten your home cinematic experience. Epson's 3LCD technology delivers high brightness and true-to-life colours with no rainbow effect. Combined with a high White and Colour Light Output of 2,700 lumens, 120,000:1 dynamic contrast ratio and 100% sRGB support, this Full HD projector produces bright, vivid colours and deep blacks. Details are also clearer and motion pictures feel sharper and smoother with frame interpolation and Detail Enhancement. It's also capable of converting standard 2D video into 3D.

Easy yet professional set-up

Sit back and immerse yourself in the experience from the very start with our easy to install, simple to use projector that can be placed almost anywhere. With this model boasting a 1.6x optical zoom, RJ45 network connection, vertical $\pm 60\%$ and horizontal $\pm 24\%$ keystone correction, superbly aligned images can be achieved effortlessly. And for perfectionists, it comes with ISF calibration tools for professional control over the settings. Maintenance is also kept to a minimum with the EH-TW6800. Thanks to the incredibly long lamp life, you can watch a movie every day on the big screen for the next seven years¹.
