

Epson PowerLite® 1700c

Incredible clarity. Exceptional definition. Amazing detail.

Make powerful presentations in virtually any meeting room with the Epson® PowerLite 1700c multimedia projector. With 2200 lumens at just 3.5 lb, this compact ultraportable offers the perfect solution for almost any setting.

Whatever the situation, the Epson PowerLite 1700c is always ready to perform. And, when there's a break in the action, its AV Mute Slide covers the lens, mutes the audio and powers down the lamp, all with the flick of a finger. And, when you're ready to present, you're sure to get remarkable color and detail.

For brilliant results wherever the presentation takes you, choose the Epson PowerLite 1700c, a versatile performer that's sure to impress.

2200 lumens—Ultra bright, and under 4 lb!

- A lightweight, travel-friendly projector that doesn't sacrifice brightness
- Offers incredible flexibility for great presentations in almost any lighting condition, or in almost any meeting room settings

Outstanding image quality and performance

- Epson 3LCD technology for incredible color accuracy, rich color saturation, and remarkable image quality
- XGA (1024 x 768) resolution for vibrant images with precision color and detail

Easy setup and operation

- 5-second startup time and Instant Off™ feature for fast setup and shut down
- Source search function automatically displays the connected input source(s) and switches instantly between them
- Digital keystone correction (+/-30° vertical) automatically engages without manual adjustments for position flexibility
- 1.2x optical zoom lens for flexible placement
- Full-featured remote control, with mouse emulation functions and an electronic pointer for complete presentation control
- Password-protected security features, plus operation lock to prevent unauthorized usage
- Soft carrying case included

State-of-the-art video performance

- Outstanding image quality, plus versatile connectivity options
- Selectable projection modes for optimum performance whatever the application (video games, home theater and more)

Outstanding Epson service and support (two-year limited warranty)

- 90-day lamp warranty for added dependability
- Epson Road Service program provides a replacement projector, typically within 1 business day
- Epson PrivateLineSM dedicated toll-free support line available from 6 a.m. to 6 p.m. PST Monday - Friday (Calls are answered live, typically in about a minute.) Provided at no additional cost for the duration of the warranty
- International warranty in over 45 countries
