MP611 DLP Projector

Features

- Texas Instruments DLP™ Projection System
- SVGA (800 x 600) resolution
- 2400 ANSI Lumens
- 2000:1 contrast ratio
- 54"@2m wide-angle lens
- 31" to 300" image size
- HDTV connectable up to 1080i
- Less than 24dB audible noise (Eco mode)
- 5 Segment Colour Wheel
- Colour Matching Technology
- 9 sets of application modes
- Hot Key for "Mode" selection
- Blackboard mode
- Power saving "Auto Off"
- Up to 4000 Hours Lamp Life (Eco mode)

BenQ's MP611 features an impressive brightness of 2400 ANSI lumens, a sharp 2000:1 contrast ratio and an advanced cooling system that is able to reduce the operating noise to a mere 24dB, lower than the level of sound of the human whisper.

The MP611 features 9 sets of application modes, providing instant optimised settings for brightness, colour saturation and contrast, ensuring the best performance in different applications such as movie viewing and gaming. By activating the blackboard mode, the MP611 will automatically adjust its settings to make sure that the projected image on the blackboard still appears in clear and vivid details.

With a variety of additional features such as power saving "auto off", presentation timer and quick cooling, the MP611 is perfect for presentations in classrooms, offices and conference rooms.
