

## VPL-VW60

► <http://www.sony.co.uk>

This document was created on  
17-Aug-2007

EISA Award winning Full HD home cinema projector with Sony SXR panel technology and extremely high 35000:1 contrast ratio displaying incredible picture quality for screen sizes up to 300"

## Features

Please be aware that the features/specifications can differ from country to country.

- Three 1920 x 1080 Sony SXR panels deliver full 1080p HD resolution and cinema-quality smoothness
- 6.2 Mega Pixel resolution for stunning picture quality
- Extraordinarily high contrast ratio of up to 35,000:1 with Advanced Iris 2 for manual contrast settings
- Adjustable Lens Shift for easy set-up (Vertical: 65% up or down, Horizontal: 25% left or right)
- Accepts 1080p and 24p input signals via HDMI to meet the standard used in Hollywood and almost all cinema studios
- Powered by BRAVIA ENGINE EX for enhanced depth, clarity and definition
- Natural colour reproduction thanks to ultra-bright 200W Ultra High Pressure lamp that achieves better reds
- Wide range of connections including 2 HDMI for easy connectivity to High Definition sources such as Blu-Ray
- Bravia Theatre Sync enabling you to operate your projector and entire home cinema system by pushing one button
- Illuminated remote control for great functionality in dark settings
- Ceiling mountable with optional PSS-H10 ceiling bracket
- Replacement lamp: LMP-H200 (optional) recommended after 3000 hours of use
- Available to buy from September 2007
